What do you perceive as being the greatest threat in your life? There seems to be a continuum, a line, when it comes to actual threats in our lives. On one end you have the abstract, things that may be perceived threats but so vague they are not actionable. In the middle of this line you have felt threats, that is things or individuals you can touch and see. On the other end you have an invisible threat. This afternoon we will look at what the prophet Micah has to say about this "invisible threat."

Quotable: *One way to do great things for Christ is to do little things for others.*

*The Helpfulness of Christ ~
Whatever your circumstances, the succouring Saviour is all-sufficient
and enters sympathetically into your condition.
He knew what it was to be weary (Jn 4:6) and exhausted (Mk 4:36-38).
He knew what it was to suffer hunger and thirst...
Whatever your lot, He can enter fully into it
From "Gleanings in the Godhead", by A.W. Pink*
